Counsel:

It has come to my attention that some attorneys may not have been on the recipient list for yesterday's email regarding a proposed conference call to discuss Defendants' Motion to Transfer. To ensure everyone receives the message, I have copied the original email below. Everyone should feel free to join the call. If you have any questions, please let me know.

**Original Email**

Counsel:

*In connection with Defendants' Motion to Transfer, I believe it would be beneficial for counsel for all parties to discuss whether alternatives to transfer exist. To that end, I suggest we have a telephone conference on Thursday, September 3, 2020 at 12 pm (Central). The call-in information is below. Please let me know if you can attend.*
